## Payment and Cancellation Policy

### Payment Policy

When making a new reservation, a 50% deposit is charged at the time of booking to guarantee your reservation. 30 days prior to arrival, the remaining balance of your reservation is charged to the most recent credit card on file. Please call us at [\(877\)-779-9990](tel:(877)-779-9990) to make alternate payment arrangements if this

does not work for you. We currently accept payment using MasterCard, Visa, American Express and Discover. If the arrival date is within 30 days of the date you make the reservation, then the reservation amount is due in full at booking time, on a non-refundable basis.

## Cancellation Grace Period

A full refund or home move is offered if changes are made within 48 hours of booking. It is not valid for stays arriving within 30 days.

## Unavailability Of Rental Home

If the vacation rental home that has been secured becomes unavailable due to unforeseen circumstances such as emergency maintenance, sale of the property, removal from the property management program, or other unexpected issues beyond the control of Seabrook Hospitality, you will be offered a comparable rental home. If no comparable rental homes are available, guests are able move their stay to a comparable property at the new property's current rate or receive a full refund of all payments made due to cancellation.

## Cancellation & Refund Policy

Seabrook Hospitality retains 50% of your deposit (plus applicable fees and taxes) for cancellations made up to 15 days prior to arrival.

Seabrook Hospitality retains your reservation fees in full (plus applicable taxes) for cancellations made within 14 days of arrival.

For extenuating circumstances, please reach out to our reservation specialists at [\(877\)-779-9990](tel:(877)-779-9990). Seabrook Hospitality highly encourages purchasing the optional Red Sky Travel Insurance for 6.95% of the total.

## Changing Rental Homes After Booking

Because each home in Seabrook is individually owned, there are restrictions and fees for changing homes. If you opt to change homes, 25% of the rent plus tax and fees will be charged to your updated reservation. No changes are allowed within 14 days of arrival.

## RedSky Travel Insurance

Seabrook Hospitality has partnered with RedSky Travel Insurance to provide Trip Preserver for our guests. Trip Preserver provides trip insurance, emergency assistance, and travel services for hurricane evacuations and family emergencies, such as illness or death in the family. See [RedSky](#) for more information.

The cost is 6.95% of your total, which is due with your first payment. Once purchased, this fee is non-refundable. Travel insurance is optional. However, we strongly urge you to consider this insurance when planning your vacation. If you do not wish to purchase travel insurance, then decline the coverage by selecting the “I do not want to protect my trip” under the Travel Insurance option.

# Accidental Rental Damage Protection (ARDP)

Each reservation is charged a non-refundable fee of 3.5% of the total rent for Accidental Rental Damage Protection. This is designed to protect the Guest(s) and Owner(s) from charges due to accidental damage only. The ARDP provides up to \$2,500 to repair accidental damages (beyond normal wear-and-tear). If any damages surpass \$2,500, then additional charges are applied to the credit card on file and written documentation sent to the Guest(s) of record.

If damages are determined to be caused by the willful misconduct, misuse and/or pets of Guest(s), then ARDP is voided on the grounds of intentional act(s), gross negligence, willful and wanton conduct by Guest(s) and/or Licensee of Guest(s) and/or visitor(s). These occurrences result in the Guest(s) credit card on file being charged in full for any damages and management fees. ARDP does not cover any additional management fees and/or fines. ALL ACCIDENTAL DAMAGE MUST BE REPORTED to Seabrook Hospitality before departure in order to qualify for protection.

For detailed information, see: [Accidental Rental Damage Protection](#)

## Cleaning Fee

All Seabrook vacation rental homes are stocked with a starter supply for your arrival of paper products including tissue, toilet paper, napkins, and dishwasher detergent. See individual home amenity list for more details about the home you are renting. Beds are ready and made for your arrival except trundles, futons, sofa sleepers, and top bunks. Our laundry team removes the linens and towels from the home upon departure, so please do not launder them in the home.

Leave the home in the same general condition as you found it. Upon guest departure, the rental home will be inspected for any missing or broken items, damages, or excessive uncleanliness. Guests agree to pay an additional cleaning fee starting at \$350 plus tax should the property be left in unhygienic or excessively dirty conditions. A guest services agent will contact the guest prior to any charges. If we are unable to make contact, the card on file will be charged.

All food and drink spills should be cleaned up as they occur. Food and drink spills on carpet are considered to be damage, not normal wear and tear, and additional cleaning charges for professional cleaning will be charged to card on file.

Empty refrigerator, and load then start the dishwasher with any dirty kitchen items.

## Lost and Found Policy

Seabrook Hospitality and/or the property owner are not responsible for personal property left behind, stolen, or damaged during your stay. Every attempt will be made to locate lost items, but there is no guarantee that they will be found. Upon check-out,

make sure and take all belongings and check the property carefully.

Never leave valuables (cash, wallets, jewelry, cameras, etc.) unattended. If you find that you have left something behind, then call our office at [360/276-0265](tel:3602760265) and we will attempt to locate the items. There is a \$25 minimum shipping charge on all returned items. Items are held for 30 days and then donated to charity.

## Pet Policy

Pets may not be left unattended in homes (unless they are in a crate or kennel), garages, vehicles, or outdoors anywhere while in Seabrook.

Due to homeowner or guest allergies, or the personal preference of homeowners, certain homes do not allow pets of any size. In all cases, animals besides dogs are strictly prohibited.

"Pet Friendly" homes are available upon request, with a two (2) pet maximum per home. A \$60 to \$75 (plus 11.9% tax) pet fee is added for the stay per pet. Pets are not allowed on furniture or in beds unless covered with a pet sheet that is provided at check-in. Guests are solely responsible for the behavior of the pet and any damage caused by the pet, and must follow guidelines given upon check-in. If a dog is being disruptive to other guests, safety staff will be in contact.

If Seabrook Hospitality discovers that a pet has been or is still in a home without prior approval, a \$350 fee may be charged for pest control, deep cleaning, and damages. Pick up all pet waste. If

waste is not picked up in the yard of home, a \$25 will be charged to the credit card on file.

Each rental home managed by Seabrook Hospitality is individually owned. We strive to keep each rental home description up-to-

date, however, owners are able to change furnishings at any time in their home. ## Bedroom Layouts

While securing a reservation on our website, a bunkroom, loft-style room, or designated open sleeping area may be counted as a bedroom in the listing. We strive to include accurate photos and home descriptions to clarify these instances and recommend contacting one of our reservation specialists if there are any questions or concerns.

## Location Of Rental Home

Each rental home is different and may be situated closely to other properties. It is also possible that main homes or carriage homes located on the same property as a rental may share the lot with owner-occupied or guest-occupied units that are separate from your reservation. Please check the home description for property details outlining these situations and call a reservation specialist with any questions thereafter. Please note that there will be no discounts or refunds if you arrive at a home with a shared lot.

The rates of rentals in or near construction are already discounted and there will be no further discounts.

## Seabrook Drone Policy

Out of safety concerns for guests, employees and our homeowner community, as well as concerns for individual privacy, Seabrook prohibits the operation or use of unmanned aerial systems, or drones, by the general public - including recreational users and hobbyists - without obtaining an authorization permit from

Seabrook Hospitality. A cost-free permit and registration can be obtained at Seabrook Hospitality's Guest Service lobby, located at 301 Front St. This prohibition includes drones used for filming or videotaping, as well as any drone use by media or journalists operating above or within the Seabrook area boundaries. This prohibition on drone operations or use extends to any drones launched or operated from within Seabrook proper, as well as drones launched from private property outside of Seabrook area boundaries.

Any authorized operation of aerial drones must follow all regulations set forth by local, state and federal jurisdiction as well as those policies separately established by Seabrook, which may include certification, training, insurance coverage, indemnification requirements, and waivers or releases of liability.

Any violation of this policy may involve eviction from your accommodation(s), as well as confiscating of any drone equipment, and may subject violators to any damages, including, but not limited to, damages for violations of privacy and/or physical or personal injuries or property damage, as well as regulatory fines and legal fees.
